

HEALTH & SAFETY POLICY STATEMENT

SABA Consult Ltd provide Building Services Design Solutions to the construction industry, committed to complying with Health and Safety regulations, pursuing active support and co-operation from all employees and contacted staff, based on the principal of continual improvement.

This policy will be accomplished by:

- Applying a risk based approach to setting health and safety objectives which are specific, measurable, achievable, realistic and timebound as part of our overall business strategy.
- Investing in competent management by developing all of our employees through the provision of training, instruction and information, which provides them with the competence to discharge their personal responsibilities in a safe, reliable and professional manner.
- Investing in our organisational capability to provide the resources for our employees to deliver their personal responsibilities.
- Providing workplaces and systems of work that contribute towards a safe and healthy environment for our employees, suppliers and visitors.
- Promoting a vibrant safety culture by securing the commitment and co-operation of our employees through an effective two-way communication and participation strategy.
- Auditing, monitoring and reviewing the effectiveness of this policy and implementing improvements where required.

The Directors of SABA Consult are totally committed to this policy to ensure that risk to Health and Safety of everyone who comes into contact with our operations is as low as reasonably practicable.

We entrust our policy to all our employees, and look to their support and professionalism in making this policy truly effective in undertaking duties on behalf of SABA Consult Ltd.
