

QUALITY POLICY STATEMENT

SABA Consult Ltd provide Building Services Design Solutions to the construction industry, committed to providing high standards of service to all our customers, covering a wide diverse of markets and sectors, ranging from Health care, Commercial, Educational, Industrial and Residential.

This commitment will be achieved by providing adequate resource, training and the use of competent quality personnel, on all projects under our control.

SABA Consult operate an internal Quality procedure which controls the issue of all outgoing documents and drawings, filing of all incoming documents and drawings together with the necessary checking of design calculations.

Through the implementation of these procedures the Directors and staff strive continually to improve the effectiveness of the actual Quality procedures and ultimately the quality of the services we provide to our customers.

The Quality systems operated shall be maintained to meet and exceed the requirements of the International Standard BS EN ISO 9001:2015, and is currently certified by UKAS.

We entrust our policy to all our employees, and look to their support and professionalism in making this policy truly effective in undertaking duties on behalf of SABA Consult Ltd.
